

# EDWARD, THE MISTERY OF AURAMALA

**Vacanze  
PAVESI**

"In the silvery half-light of stars and moon, the trunks of trees, grey boulders and piles of snow seemed to whirl past us in dreamy silence. At one point we clearly saw Auramala in the distance, an eerie silhouette against the glow reflected off the snow. We wordlessly ran on"

*Edward, il mistero del re di Auramala - Ivan Fowler*
